SUPPLEMENT TO
REPORT NO.

1. The Greek Ministry of Foreign Affairs has so far refused to issue passports to representatives of the Greek Section of the Union Internationale Contre le Racisme.
2. Accordingly, on 26 March 1949, the Secretariat of the Greek Section sent a telegram, signed by Dionysios Benetatos, Laskaris and Athanassiou, to the Central International Committee of its organization in Paris.
3. It is anticipated in Athens that the Central International Committee will bring the necessary pressure to bear on the Ministry of Foreign Affairs, as a result of which the Greek Section hopes the latter will issue the passports.
